# Do you think we should preserve Haw Par Villa?

## Instructions

Answer this question by adding the respective emojis to the post-it

Nope 😂

Of course 😍

# Do you think our social media campaign would appeal to you? Why or why not?

## Instructions

Add in your thoughts to this question

I think that after the sharing, it was actually really insightful. After explanations, it actually made me curious about what the HPV is about.

yes, as the campaign was really well thought out and easy to read

I think it would because the posts are interesting to read and look at. The design was well-thought out.

# What are other things can be done so that more youths will support Haw Par Villa's conservation?

## Instructions

Add in your thoughts to this question

Work w influencers who are passionate in Heritage/ maybe working w sg companies during national day? (People would most likely take some opportunity to read it during special holidays to remember the heritage)

Garner interest via more exposure

VR simulation

Maybe show how it could be relatable to youths (?)
